

# MUSIC THERAPY FEES 2024 - 2025

Our fees are based on actual costs to provide the music therapy services, including staffing costs plus equipment, administration and travel (if applicable).

However we believe that Music Therapy should be accessible to everyone and understand that cost is an important factor in the decision-making process.

Please call us on 07354 935106 or email [hello@signingmusictherapist.co.uk](mailto:hello@signingmusictherapist.co.uk) so we can support you in accessing our Music Therapy sessions.
